

COVID TIPS FOR SAFETY AND SANITIZATION

*Please follow your local state/provincial
guidelines*

Do's

- ✓ Prescreen your clients by phone or email, follow up in person at appointment
- ✓ Thoroughly wash hands with soap and water before beginning your appointment
- ✓ Provide sanitizer upon arrival for clients
- ✓ Ask your clients to wear a mask until service commences
- ✓ Use a COVID Waiver and keep a detailed log of clients for reporting/tracking if you need to contact them.
- ✓ Discard all your supplies at the end of your appointment
- ✓ Use medical grade disinfectants to sanitize your light, beds, workstations, tables, door knobs, clipboard, pens and other surfaces/objects touched during service.
- ✓ Book by appointment only, 1-1 services, no guests, friends, childrens
- ✓ Use gloves, face shields, face masks and gowns when required
- ✓ Step back 6ft when your client swishes in between sessions, keep PPE when discarding

Do's

- ✓ Have your client (and yourself) use hand sanitizer at the end of your appointment
- ✓ Remained dawning in PPE until your leaves
- ✓ Allow for extra time to thoroughly and properly clean/sanitize your area
- ✓ Practice self care, it's important to take care of yourself mentally, emotionally and physically during this time.

Dont's

- ✗ Use a ripped or damp mask/ppe
- ✗ Reuse supplies unless you have adequate commercial grade sanitization equipment
- ✗ Cut corners, your business and livelihood is not worth risking
- ✗ Allow guests, even "quick" ones
- ✗ Overbook yourself, allow proper time to sufficiently clean your area
